1. **Check Condition:** “Please describe your condition. When did it start?” (Mk 9:21)
2. **Check For Pain or Limitations:** “On a scale of 1-10, what is your pain level at now? Is there anything you can’t do because of this condition (decreased mobility, shortness of breath, etc?)”
3. **Check History:** “Was there anything traumatic going on in your life when this started?”
4. **Check For Faith:** Consider

 - c. **God’s Work:** “After we pray we are going to check back in and see what God’s doing.”
 - i. “You may feel heat, tingling, cool, and peace. This can be normal but not necessary for healing.”
6. **Check For Understanding and Agreement:** Does this sound good to you?

II. Prayer Selection - Jesus how do you want to heal this person?

1. **Prayer of petition:** A request to God to heal, Asking as a Son with authority! Power based on intimacy with the Father. “Fervent prayer of a righteous man is powerful” (James 5)

2. **Prayer of Command:** An authoritative act of faith addressed to a body part, a sickness or evil spirit. (Mt 10:1)
 - a. Body part: **“In the name of Jesus, I command the bones, ligaments, muscles and tendons, be healed”**

III. Prayer Ministry

1. Ask Holy Spirit to come. Pause. Keep your eyes open.
2. Keep prayers short. Use a normal tone of voice. Pray in the name of Jesus. DO NOT MASSAGE!

IV. Re-interview

1. **Test it out:** Faith is activated when trying to do something they couldn’t do or re-checking pain level. (Mk 8:23)
 - a. **If improvement but not fully healed, repeat steps 2-4** at least three times or until 100% healed.
 - b. **If no improvement,** consider having them ask Jesus directly if there is someone to forgive or something to repent of. Afterwards, pray for healing again.
 - i. **Forgiveness:** In the name of Jesus, I forgive _____ for _____ .
 - ii. **Repentance:** In the name of Jesus, I repent for my sin(s) of _____. Jesus, please forgive me and cleanse me in your blood. (If mortal sin, encourage them to go to confession later)
2. **If pain increases:** If pain is moving or increasing, it’s likely a spirit of affliction or trauma. Shift to a command prayer: **“In the name of Jesus I command the spirit of affliction to leave now in Jesus’ name.”**

V. Post Prayer Suggestions

1. **If healed:** vocally claim in faith what Jesus has just done and have them command any post-healing symptoms to leave in Jesus' name. Encourage them to not partner with doubt.
2. **If no healing manifests**, be sure to:
 - a. Share: Healing can be like a seed that manifests later. We've seen it! Offer A Testimony
 - b. Encourage: Persevere in prayer and understand that their suffering is not meaningless united to Jesus
 - c. Recommend: books, documentaries, other services, intimacy in prayer, scripture, sacraments, etc.
3. **Resist personal disappointment: If a person was loved, your prayer was successful!**
